Vehicle Delivery Checklist

Required items that will be needed from you when you take Delivery of your New Vehicle!

Necessary Items:

- ✓ Current Driver's License
- ✓ Current Insurance Card

If you have a Trade-In:

- ✓ Certificate of Title if applicable
- ✓ Current Registration
- ✓ Both sets of Keys
- ✓ Owner's manual and everything that goes with the vehicle

What to expect upon Vehicle Delivery (offsite):

Step 1 - Car Arrives – Your Delivery Specialist will arrive in your new car at the specified date & location.

Step 2 – ID Verification – Once we arrive at your specified location, your Delivery Specialist will verify your License and identity.

Step 3 – Paperwork – Your Delivery Specialist will walk you through the paperwork, verify the numbers, answer any questions you may have and then have you sign the documents.

Step 4 – Payment – Your Delivery Specialist collects payment for any amount due at signing.

Step 5 – Vehicle Walkthrough - Once the paperwork is complete, your Delivery Specialist will set up your cell phone, show you how to use the other features on your new car, and answer any questions you have.
